The image shows the top portion of the Jove website. At the top left is the 'jove' logo. To its right is a search bar containing the text 'Search 11,902 video articles'. Further right are links for 'Advanced', 'START TRIAL', and 'Explore'. Below the search bar is a horizontal navigation menu with links for 'BIOPHARMA', 'ABOUT JOVE', 'FOR LIBRARIANS', 'PUBLISH', 'VIDEO JOURNAL', and 'SCIENCE EDUCATOR'. The main content area features a large blue banner with the text 'ACCELERATING SCIENTIFIC RESEARCH & EDUCATION' and 'We change the way science is done.' Below this, there is a section titled 'NOW SHOWING' with a list of featured articles, including 'Examining Bilingual Language Control Using the Stroop Task'. At the bottom, there is a 'VIDEO JOURNAL' section with a grid of scientific categories: Behavior, Biochemistry, Biengineering, Biology, Cancer Research, Chemistry, Developmental Biology, Engineering, Environment, and Genetics.
